Dear Parents,

### School milk

Due to new legislation in 2015 your child is entitled to free milk in school next term (Summer 2017).

If you would like your child to receive this milk during the summer term, please fill in the reply slip below. This slip should be handed in to the school office by the morning of **Friday 28<sup>th</sup> April** at the latest in time for the order to be placed with the dairy. If reply slips are received late it is not always possible to change the order straight away, they may have to be added to the following months order.

Milk is an essential part of a growing child's diet. It contains a wide range of essential nutrients, energy, protein and vitamins and is also a particularly valuable source of calcium vital for strong teeth and bones.

Yours faithfully

Mrs. J. Evans  
Head Teacher
