

Academic Year: 2017/18	Total fund allocated: £19,620		Date Updated: July 2018
3: Increased confidence, knowledge and skills of all staff in teaching PE and sport			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
<p>Improve teaching and learning within PE: Pupils engaged and active for the majority of the lesson.</p> <p>All pupils are able to identify what they know, understand and can do and identify what they need to improve.</p> <p>Teacher confidence raised through improved subject knowledge in national curriculum PE.</p>	<p>Specialist PE coaches will be employed to lead PE lessons and support teachers to increase their subject knowledge and increase their confidence in PE.</p>	£10,000	<p>Lesson observations.</p> <p>Pupil voice.</p> <p>Staff questionnaires.</p>

Academic Year: 2017/18	Total fund allocated: £18,550		Date Updated: July 2018
4: Increased confidence, knowledge and skills of all staff in teaching PE and sport			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
<p>To have in place a range of after school clubs.</p> <p>Promote and provide opportunities for children to lead more healthy and active lifestyles.</p> <p>Promote and provide opportunities for increased pupil confidence in taking part in a wider range of sports.</p>	<p>Range of activities for all ages to be reviewed and developed.</p> <p>Purchase of additional equipment and resources to promote activity.</p> <p>Lunchtime Young Leader's Programme.</p>		<p>Analysis of: attendance at after school clubs</p> <p>Pupil voice to gain views on clubs provided.</p> <p>Number of leaders trained</p>

Academic Year: 2017/18		Total fund allocated: £18.550	Date Updated: July 2018
5. Increased participation in competitive sport			
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:
Increase the number and age range of pupils taking part in competitive sport ie: the Sainsburys games. Participation in school sports day.	Transport costs and staff cover costs. Annual sports day.	£500	Analysis of events and participation of pupils in activities such as. Sports Day Competitions

It is hoped that some of the sports premium money will go towards the cost of installing a MUGA so that children can access a sports area throughout the year that is not weather dependent.

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres at the end of the academic year.	69% of pupils could swim at least 25 metres at the end of the summer term.
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] at the end of the academic year.	100% of pupils could use a range of strokes but not all could competently complete 25 metres using these strokes.
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations at the end of the academic year.	Pupils were not yet competent to move onto this area of the swimming curriculum.
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Sports premium was not used in this way for the academic year 2017-2018. Due to many children not having access to swimming outside of the school curriculum, it was difficult for children to consolidate what was taught in the lessons and achieve the national curriculum requirements. Therefore, all children in year 6 will have swimming lessons for the whole academic year in 2018-2019 with additional lessons provided for children underachieving in the summer term.
