'Where everyone matters'

Head Teacher Mrs. J. Bayliss

12th February 2021

Dear Parents/Carers,

Firstly, we would like to thank you for your continued support during this period of remote learning and say a big well done to all of the children, who have been amazing and adapted to this new way of learning.

We are continually looking for ways to make our remote learning provision even better and safer for staff and children. Therefore, we have decided that live lessons with only one member of staff will need to be recorded. These recordings will be kept securely in school and will protect the safety of our staff and children, as well as following our GDPR protocol. Recordings will be deleted once lockdown is lifted.

May I remind you that we do not allow live lessons to be recorded at home, as it breaches our Safeguarding and Remote Learning policy.

If you have any queries, please contact your child's teacher through their class email, or telephone the school office.

Kind Regards

J Bayliss
