Monday 29th March 2021

Dear Parents/ Carers,

As part of our French language and culture day on Tuesday 30th March 2021, we will be having a French food tasting session. The children will have the opportunity to sample a selection of French pastries, cheeses and breads.

If you **DO NOT** want your child to take part, please tell your child's class teacher at the classroom door on Tuesday morning.

Thank you for your continued support,

Miss Crannage
