'Where everyone matters'

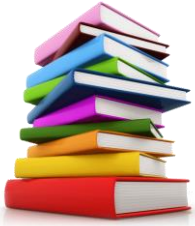

Head Teacher Mrs. J. Bayliss

Friday 12th March 2021

Dear Parents and Carers,

Welcome back to school – it is lovely to see all of the children back in school!

We have some lovely activities planned in the next few weeks, in helping the children to settle back into school life! As you know, we chose not to celebrate World Book Day virtually, as we thought it would be nice to complete activities with all of the children in school.

We have decided to celebrate on Wednesday 31st March, with a selection of activities to celebrate the love of reading. Children are welcome to come to school in a costume that they have at home, something you have created or if not, they can come in their own clothes. Please don't feel the need to purchase a new costume, this really isn't necessary!

The children will all be receiving new reading books this week, so that we can ensure that we can have a real focus on reading. Can I please ask that you continue to support us with our focus on reading, and reading for pleasure, by hearing your child read at least three times per week, recording this in their reading diary. It really does make such a difference to your child's learning! Your child will need to bring their reading book to school each day, as there will be frequent opportunities within the school timetable for reading.

Thank you for your continued support,

Miss Blakeley
Deputy Headteacher
